

## **FOCUSED ON DELIVERING WHAT WE PROMISE AND PROMISING WHAT WE DELIVER**

**From project start to finish, HK Mechanical has your needs covered.**

At HK Mechanical we know that no two facilities have the same needs – so we personalize our service to you.

A service strategy maximizes return and minimizes risk. We can develop a planned service program built around your specific building performance requirements with a combination of scheduled, predictive and preventative maintenance services.

Call HK Mechanical today at 847-438-3877 to get your project done right, on time and on budget.
